## You Can Protect Our Waterways by Becoming a Dockwalker

### Who are DOCKWALKERS?

Dockwalkers are partners who inspire and educate boaters and other recreators to be safe and environmentally sound while boating in California. These partners distribute boater kits with educational materials while visiting marinas, boat launch ramps, boat shows and events. *If you are already a trained Dockwalker and were trained more than 3 years ago, please join us next year for a refresher class. Anyone from 16- 100 years young can become a Dockwalker.*

### How Do Dockwalkers Help?

The efforts of Dockwalkers increase boater awareness about clean and safe boating, thus improving the recreation experience in California while helping to preserve its precious wildlife habitat and water quality. There are over 1,000 Dockwalkers statewide who have distributed more than 100,000 boater kits since 2000.

### How Do I Become a DOCKWALKER?

People interested in becoming Dockwalkers are required to attend a FREE 2.5-hour training class. During the class participants learn about potential sources of boat pollution and their impact, environmental regulations for boaters, and clean boating practices that prevent pollution from boating. In addition, the training provides information on how to conduct Dockwalking and an overview of the educational materials Dockwalkers will distribute including the boater kits. Age range is 15 years and up. The program can document community service hours. Contact the California State Parks and the California Coastal Commission's Boating Clean and Green Program at (415) 904-6905; [ymatuk@coastal.ca.gov](mailto:yamatuk@coastal.ca.gov) or visit [www.BoatingCleanandGreen.com](http://www.BoatingCleanandGreen.com) to register for a class.

### What Is a Boater Kit?

The [boater kit](#) is an educational tool for boaters. Items include: a pocketbook of tide tables, Division of Boating and Waterways pamphlets (*ABC's of the California Boating Law*), oil absorbent pillow with reusable zip tie and instructions, and more. Depending on your region, we may also provide the Delta Clean Boating map and/or the San Francisco Bay Area Clean Boating Map and the new edition of the Southern California Boater's Guide. Boaters can receive a boater kit after completing a brief boater questionnaire/pledge. This questionnaire will help to identify gaps in environmental services and better target future boater education efforts.

### How Can I Order the Boater Kits?

After the class we will be mailing you some boater kits. If you are a very active Dockwalker and need more boater kits, please contact the Division of Boating and Waterways and the California Coastal Commission's Boating Clean and Green Program at (415) 904-6905 or [ymatuk@coastal.ca.gov](mailto:yamatuk@coastal.ca.gov).

### What is a Recreational Boater Questionnaire/Pledge?

All boaters who receive a boater kit must complete a brief and anonymous [Recreational Boater Questionnaire/Pledge](#). The information is used to improve the Program, better understand boater behavior and identify gaps in terms of safe and clean boating education and services.

### What is the Dockwalker Contest?

In recognition of the good work and dedication of our clean boating Dockwalkers, the top Dockwalkers who return the most number of completed boaters questionnaire will be honored with great awards donated to our partners and will join the ranks in the Dockwalker Hall of Fame. Dockwalkers will be asked to collect their boater questionnaires and return them after finishing their Dockwalking activities.

### How Marina/Yacht Clubs Benefit from Becoming Dockwalkers?

Marina/Yacht operators and staff believe that education is critical to successfully operating a clean boating facility and minimizing water quality impacts. Becoming a Dockwalker or having a staff person or yacht club members trained as Dockwalkers will provide you with the educational materials and tools to work with your tenants and visitors as partners in the clean marina/yacht club, clean water effort. This program provides marinas with points towards the clean marina designation. Participation in the DOCKWALKER PROGRAM counts towards the nomination of the Club of the Year under the community service category.
